The Law Fellows Program-Central Valley provides early academic development to high-potential undergraduate students and college graduates. To be eligible to participate, applicants must have at least a 3.0 cumulative undergraduate GPA achieved at a four-year institution. The program focuses on participants’ academic development, with the objective of increasing their academic competitiveness for admission to law school. Our initiative is committed to ensuring equity, access, and excellence in legal education both in California and nationally. A strong preference is granted to applicants whose experiences reflect limited familial exposure to post-collegiate education, career opportunities, mentoring, and social support systems. Additional consideration is given to applicants who have overcome economic and/or educational hardships and challenges, or have come from, or demonstrated leadership experience in, economically or educationally underserved communities.

Law Fellows will attend two Saturday Academies on the campus of UC Merced on April 23 and June 25, 2016 (dates tentative). At each Academy, Fellows will be provided with academic enrichment and career development activities designed to de-mystify law school and the legal profession, and to present these objectives as viable options. The program prepares participants to successfully enter and succeed in top law programs and legal careers by affording Fellows access to a variety of events, programs and services, including:

- Professional-Level Instruction by Law School Faculty
- Personalized Juris Doctorate (Law School) Action Plan
- Full Scholarship for one LSAT Preparation Course
- Presentations by Practicing Attorneys and Leaders in the Law Community
- Follow-Up Activities and Counseling until Law School Matriculation
